...a fun place to  
play and learn!

### Lohri Assembly

Lohri was celebrated on 12th January with great fanfare amidst cheers 'sunder - munderiye'. Lohri officially marks the end of winter and beginning of harvesting the rabi crops. The Lighting of the Holy Bonfire was done by our school Principal and Director sir. Staff members gathered around the bonfire, offered prayers and enacted the traditional feeding the flames with 'revaris' and 'mungphalis'. The students sang customary songs and performed folkdance. The Assembly ended with singing of the National Anthem.

### Republic Day

It has been 68 years since India became republic and it is a matter of pride that our country has made a mark on the global map in almost all streams of popularity.

A colourful program was presented by the students of Delhi Public School Sangrur on 25th January to celebrate the Republic Day. Honourable principal Ms. Poonam Sood unfurled the tricolour and motivated all students to make India a Super Nation with their hard work and disciplined lifestyles.

### Farewell To The Outgoing Class X

Farewell of the outgoing mates was held on 11th February and it was extremely well organised by class IX. The day was a fiesta devoted to the years of togetherness and fellowship with friends and teachers, to reminisce joyous moments. Cultural presentations by class IX students were superb. After some party games and Ramp walks, these students were adjudged winners of titles of the year: Mr DPS - Sameer Goyal, Miss DPS - Sahar Sheoran, Mr Stylish -Vattanpreet Singh, Mr Gabru - Keshav Kansal, Miss Elegant - Ramandeep Kaur, Miss Mutiyar - Geetika Jain. The head girl, Sahar Sheoran's speech was an absolute stunner. Then came the time for goodbyes and hugs. Each and every eye was moist with tears of emotions. Nostalgia, like a thick cloud, hovered around for the rest of the day.

### National Science Day

National Science Day is celebrated as one of the auspicious days in India every year to mark the discovery of the 'Raman Effect' by Sir C.V. Raman and for which he was awarded the Nobel Prize for physics in 1930. The day was collectively celebrated at SLIET Longowal on Feb 28, 2018. where students of various schools demonstrated a motley of science projects, exhibited their posters and participated in debate competition. The students of DPS Sangrur brought laurels to the school by winning a load of prizes in all these events, Shreyansh Jain of class 9 stood first and Nimrat Kaur of class 9 stood second in Debate competition. Avneet Singh, Amanat Singh, Deep Kanwar Singh and Damanpreet got the first prize in model presentation. Mehul Kaura, Bhavansh Singla, Anureet Kaur and Siddharth Panesar got consolation prize in poster making. Everyone wholeheartedly congratulated the winning members.

### Prep Shows

Seven different Prep shows were put-up for classes Nursery and Prep I & II in order to prepare the children for enhancing their public performance, to boost their confidence and to demonstrate our methodology of teaching to the parents. Children showcased the activities related to subjects like English, Mathematics, EVS, Dance and sports in front of their parents live.

**Grandparents' Day**

Grandparents hold a special place in every family. Most of us still look for their advice when in need. Their bed-time stories are an integral part of a child's growing years. In honour of the grandparents, Delhi Public School, celebrated Class wise Grandparents' Days. On the occasion children, in their own special way, thanked the grandparents for their love and support. The special day was filled with dance and song performances by the kids. Children recited rhymes and danced on various songs. The Grandparents too actively participated in specially innovated games.

**Trip to Hardy's World, Ludhiana ( Classes I-IV)**

Students of Classes I to IV were taken for a picnic to **Hardy's World, Ludhiana** on 24<sup>th</sup> February 2018 breaking the mundane routine of being at school attending classes. The students were overjoyed in the morning to reach the Amusement Park and give themselves a break for some adventures. The fun engulfed them as they enjoyed different rides enthusiastically. The students had pleasure dancing with their friends and enjoying the liberty of spending some memorable playful time with their classmates. It was a day full of fun, frolic and ecstasy.

**A trip to Sri Anandpur Sahib and Virasat-E-Khalsa (classes V-X)**

A one-day school trip was organized on February 24 for students of classes V-X to Sri Anandpur Sahib and Virasat-E- Khalsa museum. It was a fun filled trip away from school and home where students had the opportunity to learn in a totally different environment. This heavenly place is rightly famous as a repository of a rich heritage, history and culture of Punjab. The students took inspiration from the vision of the Gurus, especially from the eternal message of peace and brotherhood which they had given to the whole mankind.

### **Last Assembly of the Session:**

March 20, 2018 Was the last working day of the Academic Session 2017-18. The term has been a very short one and time has flown by but the children have achieved many goals both in their academics and in extra & co-curricular activities. A special assembly was conducted at Delhi Public School Sangrur. The principal Ms. Poonam Sood congratulated the children for completing the session successfully and wished them luck for the next session. The assembly got over with the singing National Anthem.

### **Kindergarten Picnic:**

March was a busy month for everyone. After the last exam the tiny tots of kindergarten were taken to a picnic at BSNL Park, Sangrur. Children had lots of fun there. They played games, sang songs and danced. They also learnt another good manner- 'sharing'. We appreciate the mothers for preparing and sending yummy treats with their wards. All the children were really excited till the end of the day.

### **Parent Teacher Meeting:**

Final PTM of session 2017-18 was held on March 27,2018. Almost every parent came along to meet the class teachers and to have a look at the children's work in the classrooms. They were impressed by the work the children had done and the progress they had made. There were also some delightful and commendable comments shared by parents.
