Teachers' Workshop

Teachers' workshop is always a knowledgeable concept for the faculty members, as they come to know the different concepts which are very useful for their classrooms. They should feel fortunate enough to have these workshops in school campus. Workshops give them immense power to change their concept of teaching and blend it with their own experience. Keeping this in view DPS always arranges time to time workshops for the teachers to enlighten them with different concepts.

On July10'17 a workshop was held for all main subjects-

Science, Maths, Social Science and all three languages English, Hindi and Punjabi. In this workshop resource persons told many different ways of teaching, many interesting methods which are very helpful to the students.

- 1.They told different types of experiments which can be done in Science laboratory.
- 2.What are the various ways to learn maps was told by Social Science resource person.
- 3.Teachers learnt various activities to learn vocabulary in English.
- 4.Class management was also the basic criteria of the workshop.
- 5.What are the different ways to improve lesson planning was also the focus area in the workshop.

Editorial Board:

Ms. Risham Bansal

Ms Manjot Kaur

Ms Japleen Kaur

Mr Satgur Singh

On July 11' 17 a workshop was held by Educom (smart class)-

The Resource Person enlightened us with his new updated version in smart class. Smart class is the most helpful tool for the students to understand a particular concept. Children love to learn by seeing rather than listening. He told us his latest updates in smart class like: more videos on grammar topics, clearer concepts of kindergarten handwriting part, animated experiments in science, various moral stories and GK portion has been added. This was really a fruitful workshop for every teacher.

“Creative play is a central activity in the lives of healthy children.”

The Pre- Primary wing, bubbling with three to five years old, which needs special handling, has activities planned for them taking care of their emotional, social and physical well being. These activities are the integral part of the curriculum.

Lemonade Making Activity

This activity was organized on July 15, 2017. Students prepared lemonade with the help of teachers and enjoyed it on the hot summer day.

English Poetry Recitation Competition

The tiny tots of DPS participated in English Poetry recitation on July 22, 2017 with full enthusiasm. The children came prepared with poems and recited in front of the class.

Show and Tell activity

On July 29, 2017 Show and Tell activity was conducted. It provided a platform to the children to showcase their talent. It proved to be a medium for both fun and learning. They chose a topic of their choice and spoke in front of their friends.

SPECIAL ASSEMBLIES

Independence Day Assembly

Our school celebrated 70th Independence Day with great fervor, zeal and zest. The function began with the unfurling of the National Flag by our Principal Ms. Poonam Sood followed by the patriotic renditions sung by the school choir which charged up everyone with patriotic spirit. The tiny tots came dressed as freedom fighters and spoke the famous dialogues for which these brave freedom fighters are remembered. The children mesmerized everyone with their beautiful dance performance.

Janamashtami Assembly

Krishan Janamashtami was celebrated with great enthusiasm. The Kindergarten students won the heart of the audience by presenting dance on various songs. Dressed in attire of Krishna and Gopikas, they spread the message of ancient Puranas and our traditional customs. The awesome performance was applauded and appreciated by everyone.

Rakshabandhan Assembly

The festival of Rakshabandhan not only celebrates the love and duty between brothers and sisters, it also has a social significance because it underlines the notion that everyone should live in harmony and hence speaks about the rich culture and traditions of India that make our nation extraordinary. To help our children learn about the culture, Rakshabandhan was celebrated in the school. They were made aware about their responsibilities towards everyone in the society. The choir presented a melodious song which brightened the whole atmosphere.

On August 19, the children brought Rakhi material and a chocolate from their home. Girls tied rakhi on the wrist of boys and they gifted them a chocolate in return. Teachers also shared the importance of this festival with kids

**Story Telling (Sub junior)**

“Learning to tell stories from memory is a great way to learn all sorts of essential skills. Speaking, listening, confidence, empathy, ideas, facts, sequence, plots. You name it.
